Phone (248)546-8282 Fax (248)546-8525

Hello,

I represent Royal Oak Youth Assistance (ROYA) and the 2019 Bowl-A-Thon Committee. Our mission, at ROYA, is to strengthen youth and families, and to reduce the incidence of delinquency, abuse and neglect through community involvement. To accomplish this mission, we need some help from you!

Royal Oak Youth Assistance has one fundraiser a year, our annual Bowl-A-Thon. The Bowl-A-Thon provides funding, used exclusively within the City of Royal Oak, for a variety of prevention programs including summer camp scholarships, Mentors PLUS programs, scholarships for sports, dance & tutoring, Youth Recognition as well as family education to assist parents in gaining the skills and knowledge needed to raise children in today's complex society.

Our 37th Annual Royal Oak Youth Assistance (ROYA) Bowl-A-Thon will be Sunday, March 3, 2019. To make it easy for you to get involved you can visit us online at www.firstgiving.com/RoyalOakYouthAssistance/roya37bowlathon where donations (any amount makes us grateful and helps a child!), team registrations and corporate sponsorships can be securely processed. If you prefer the old method, you can mail checks payable to Royal Oak Youth Assistance, to 1601 N. Campbell Rd., Royal Oak, MI 48067. However, all teams must register via the website this year.

Our fundraising goal is \$20,000 for this year. Your corporate sponsorship, or any donation, will go a long way in helping us reach our goal. (ROYA is a 501(c) tax-exempt organization. All donations are tax deductible.)

GOLD-\$1,000.00	SILVER-\$800.00	BRONZE-\$300.00	SUPPORTER MENTION- \$150.00

To make sure your qualified sponsorship will be included on the large event day banner (\$300+ sponsorship), donations/sponsorship payments, as well as logo artwork, must be fully processed **no later than Monday, February 18, 2019**. Call Tammy at 248.546.8282 or Candi at 248-808.9719 if you have any questions.

We hope we can count on your help for this important community event!

Sincerely,

Candi Drouillard
